

AVIATSIYA HALYCHYNY

**For those who feel the wings behind
their backs (or would like to...)**

PROUDLY MADE IN UKRAINE

WHO WE ARE?

We're a Ukrainian clothes brand dedicated to Ukrainian Air Forces.

Our clothes made in Ukraine, about Ukraine and not only...

When people see strangers, also dressed in goods from “Aviatsiya Halychyny”, they realize that they have common values. You don't feel that way when you see others wearing jeans of the same brand that you wear.

INDIVIDUALITY.

CHARACTER

Clothing is also about individuality and character.
Nowadays, just a t-shirt with a logo is “clothes for the forest”.

Hoodies, jackets, sweaters, raincoats, polos! We may design the clothes that you'll like to wear and which will be close to your values!
